

CANDIDATE FOR ASSESSOR

NAME: BILL POSTMUS

AGE: 35

OCCUPATION: Chairman, San Bernardino County Board of Supervisors

Board of Supervisors **Chairman Bill Postmus** successfully pushed for the establishment of the Identity Theft Unit within the District Attorney's Office . . . he will make sure our property records are secure by using "state-of-the-art" computer software to protect against hackers and other criminal fraud.

Bill Postmus helped end county government corruption, slashed the county debt and created today's \$167 million budget reserve . . . we need his "reform" experience protecting taxpayers as our next County Assessor.

Bill Postmus successfully fought to increase firefighter protection, supported the \$4.6 million "War on Gangs," added 310 new deputy sheriffs and six new helicopters to patrol our neighborhoods...and because overcrowding caused the early release of convicts, he helped by providing money for more county jails to keep criminals behind bars.

Bill Postmus co-authored a plan to increase local cities' property tax share to stimulate economic development and help manage our growth . . . as our Assessor, he'll modernize programs and push to help bring more jobs to our county by providing a "one stop" business-friendly permit process.
